

Basalt Fiber Rope

Code:KXT-BFR

Description

Basalt Fiber Rope,You Can Buy Various High Quality Basalt Fiber Rope Products from Global Basalt Fiber Rope Suppliers and Basalt Fiber Rope Manufacturers at Kaxite Sealing

Item no.:KXT-BFR

Basalt Fiber Rope

Item no.: KXT-BF

Basalt Fiber Rope,You Can Buy Various High Quality Basalt Fiber Rope Products from Global Basalt Fiber Rope Suppliers and Basalt Fiber Rope Manufacturers at Kaxite Sealing

More Information

B103T Basalt Fiber Braided Rope is made from basalt fiber ,Basalt fiber has properties of anti-aging, high-temperature resistant, acid and alkali-resistant, strong binding force to concrete and resin, flame retardant and good insulation, low moisture absorption, can replace carbon fiber and aramid fiber in some aspects.

Application:

It can be used as a gasket or seal on boiler, coke oven, industrial oven and wood stove/pellet stove doors. It is also used for crucible packing and pollution control equipment, pump shaft packing.
